As a condition of the permit I grant the right for City staff and Dysart Urban Chicken Committee members to inspect my property at any time to investigate a complaint relevant to this permit.

Pursuant to Chapter 4, Article 4 of the Dysart Code of Ordinances (available at www.cityofdysartia.com) this application shall be submitted by the permittee and approved by the City to raise, harbor or keep chickens (hens) within the city limits of Dysart. By signing this application, the applicant attests to having read and understood the requirements of this ordinance and affirms that all submitted information is true and correct. It is further understood that a maximum of four (4) hens are allowed and shall only be placed on the permitted address. Hen House/Chicken Tractor must be a minimum of ten (10) feet from any neighboring property line and a minimum of twenty-five (25) feet from any neighboring dwelling. If approved, this permit will remain valid for so long as the property remains in the possession of the person to whom the permit is issued. The applicant understand and agrees to not allow their hens to become a nuisance or burden on the community which violates this or other applicable city codes. Failure to comply with the provisions of this or related ordinances shall result in fees, fines, penalties, and possible revocation in accordance to law.
